# CUYAHOGA VALLEY ART CENTER'S WINTER EXHIBITION

CVAC is excited to provide the community with an insider's look into the amazing work that artists have created during these chilly winter months, January 15th - February 22nd. The subject matter of the art work did not have to be related to winter, CVAC is simply seeking to reveal the breadth of interests and investigations from our participants recent paintings, sculptures, ceramics and works on paper.

This popular annual exhibition opens on Tuesday, January 15th, kicking off the People's Choice selection process. We invite the public to participate in our People's Choice voting process that will select the Best of Show, Second-place and Third-place awards. This voting will conclude at 6:30 PM during the **public artists reception to be held on Friday, February 1st from 5:30-7:00 PM** in the main gallery.
